

Bank account information. Euro-payments.

Dear Customer,

In order to comply with the European standard of payments, HMS Industrial Networks AB, Halmstad Sweden, has decided to use the bank account described below.

This account information is printed on our Euro-invoices and the account is valid to use.

This letter is sent to you with reference of payments that still are transferred to the incorrect account from your company. Despite previously demand, we now therefore ask you politely to update the information in your records and systems, so future payments are transferred properly and are made to the correct account.

Please confirm back to us that you have taken part of this information.

Details of the correct Euro bank account for payments to HMS Industrial Networks AB:

Banker:	SEB AG, Frankfurt AM Main, Germany
Bank Account:	69100004
BIC/SWIFT:	ESSEDEFF
IBAN No:	DE10 5122 0200 0069 1000 04

If you're not the right person to contact regarding invoices and payments, please forward this information to the correct person within your company. Do not hesitate to come back to us with questions or verification.

Thank you for your collaboration and help in this matter and best regards,

Rosita Salomonsson

Accounting Manager

HMS Industrial Networks AB
